Matthew Compton

Objective

A position in the field of software engineering as an Android developer,
utilizing my programming skill and passion to solve complex and interesting problems.

Education

University	**Georgia Institute of Technology**	Atlanta, GA
Degree	**Bachelor of Science, Computer Science**	08/09 - 05/13
GPA	**3.50** — High Honors, Cooperative Plan	

Work Experience

Employer	**Big Nerd Ranch**	Atlanta, GA
Position	**Android Developer and Instructor**	1/14 - Present

· Implemented large-scale, multi-user Android solutions for clients
· Taught classes on Android development around the world
· Contributed to a workplace culture of continuous learning

Employer	**GTRI - ICL**	Atlanta, GA
Position	**Research Scientist I**	5/13 - 1/14

· Designed and maintained a framework of testing for an XML Schema library
· Leveraged Bash and Python scripting skills to manage XML data

Employer	**GTRI - ICL**	Atlanta, GA
Position	**Undergraduate Research Assistant**	10/10 - 5/13

· Developed on NIEM and C2 Core with XML, XML Schema, and Java
· Coordinated in an Agile/XP development environment with SVN and Git

Employer	**GTRI - EOSL**	Atlanta, GA
Position	**Undergraduate Research Assistant**	06/12 - 08/12

· Collaborated on a small team to plan, develop, and test an Android application
· Interfaced with Facebook Android API (for SSO) and ESPN Data API (JSON)

Skills

Languages	Java, C, Python, Scala, Ruby, Assembly, Visual Basic 2008, ActionScript 3.0
	HTML, CSS, JavaScript, PHP, XML, XML Schema, XSLT, XPATH, Schematron
Systems	Linux (Linux Mint, Ubuntu, Ubuntu Server, Knoppix, GParted)
	Windows (95, 97, XP, Vista, 7), Max OS X
Environments	Android Studio, IntelliJ, Eclipse, Netbeans, Geany, oXygen, XML Spy, Vim, Emacs
Tools	Git, SVN, Gradle, Ant, Maven, Jenkins, Genymotion, VirtualBox, GIMP, Photoshop
Databases	MySQL, SQLite, PostgreSQL, Microsoft Access, JDBC
Productivity	JIRA, Pivotal Tracker, Notepad++, Microsoft/Open/Libre Office, LaTeX
Other	Android SDK, Google Glass, Hadoop, JSON, MediaWiki, WordPress
	REGEX, Bash/Shell scripting, VBA/Excel Macros, Agile/XP experience

Associations

Honor	**Briaerean Honor Society** (Co-operative Education Honors)	Member
	Upsilon Pi Epsilon (Computer Science Honors)	Member
Social	**IEEE** (Institute of Electrical and Electronics Engineers)	Member
	ACM (Association for Computing Machinery)	Member
	USCF (United States Chess Federation)	Member
